

2024 SIW PLANNING CALENDAR

This calendar shows proposed special SIW rides and events for 2024. This information was compiled from suggestions from SIW members including the ones who attended the Planning Meeting in February. Thanks to all for your input!

The rides/events highlighted in blue were suggested or have been on our calendar in the past but do not have a ride captain. Let [Jeanne](#) know if you are interested in being the ride captain.

The registration and the accommodations for many rides are limited. Check the website and/or contact the Ride Captain to find out if these are concerns for a specific ride. Note that the links in this PDF are linked to information about the rides.

Most of the rides are out-of-town rides which means at least 5 SIW members must participate in the ride to receive club mileage credit for the ride. Let the Ride Captain know if you are going to participate in a ride, so that he/she can keep everyone informed about the ride.
